Thank You

As we wrap our second full year in operation, we are so grateful for your continued support. It's truly been humbling to receive such generosity in order to continue to give back to our local community in Renee's memory. Your donations to the Renee Parker Monihan Foundation directly benefit pediatric medical care and early childhood education.

In 2024, we raised \$100,000 for the Renee Parker Monihan Memorial Fund at Shore Medical Center in Somers Point, NJ. We also raised \$20,000 for the Renee Parker Monihan Early Childhood Education Endowment Fund at the Marjorie & Lewis Katz JCC in Margate, NJ. Read more for details on each cause we support. With deep gratitude, Chris & Andrea Monihan

2024 Events Recap

Nene's Day at the Bay – August 30, 2024

Thank you to our friends at OCNJ Watersports and the Aquapark in Ocean City NJ. They hosted our 2nd Annual Nene's Day at the Bay and raised over \$12,000!

Nene's Annual Holiday Toy Drive

Our 2nd annual toy drive is happening now! This year we've partnered with Hope for the Holidays in Atlantic City, NJ.

Shore Medical Center's Emergency Specialty Care Room in Memory of Renee Parker Monihan

This Specialty Care Room officially opened in June 2024. It promotes family presence and participation in patient care in a private setting, thereby alleviating some of the fear and anxiety children incur while being in the hospital. This room allows for immediate evaluation and care for patients. Having all necessary equipment in one location enables multiple team members to care for a patient when seconds count.

This new room features a calming environment and is equipped with an advanced AccuVein Viewing System for drawing blood or starting an IV. This process can be especially challenging for children, something the Monihan family experienced firsthand and made a priority when discussing the project's development.

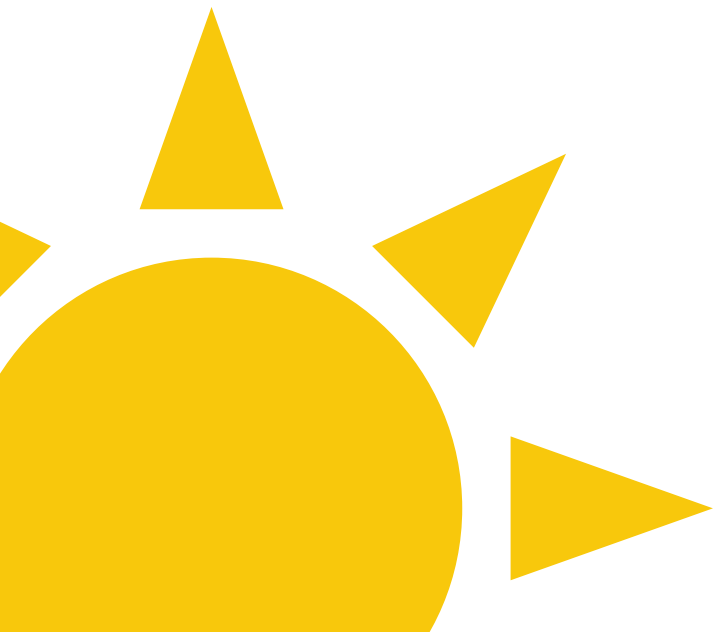

In 2025, RPF is supporting Shore Medical Center to renovate their Family Waiting Room in the ER department. This renovation will result in a more comfortable and child-friendly environment for families to wait to hear from medical staff on the condition of their loved ones.

Renee Parker Monihan Early Childhood Endowment Fund at the Marjorie & Lewis Katz JCC

In 2024, this fund was able to provide a recently placed foster infant with a year's worth of tuition to the Early Childhood Education Center at the Katz JCC, where Renee also attended as an infant and toddler. The Early Childhood Education Center is well known in our local community as providing a loving and nurturing environment while ensuring infants and toddlers are given an educational foundation for a great start in life.
